Editor Note

I'm really excited about 2020! When I first started RHK Productions in 2009, I had no idea we would accomplish so much. We've had 5 magazine titles under our umbrella of publications and have released over 300 issues. We have featured over 1,000 of the world's top models, thanks to our dedicated staff and world-class photographers. We are becoming more involved with musical artists and other entertainers and we have no plans on slowing down. I would like to personally thank everyone who has supported RHK … it hasn't always been easy, but the journey has been a wonderful experience. I hope this year is one of our best yet!

As always, my goal is to make RHK Productions the BEST. If there is anything we can improve, please let us know by contacting us at submit@rhkempire.com.

Have a wonderful 2020!

Best regards,
Alexander Deal, CEO

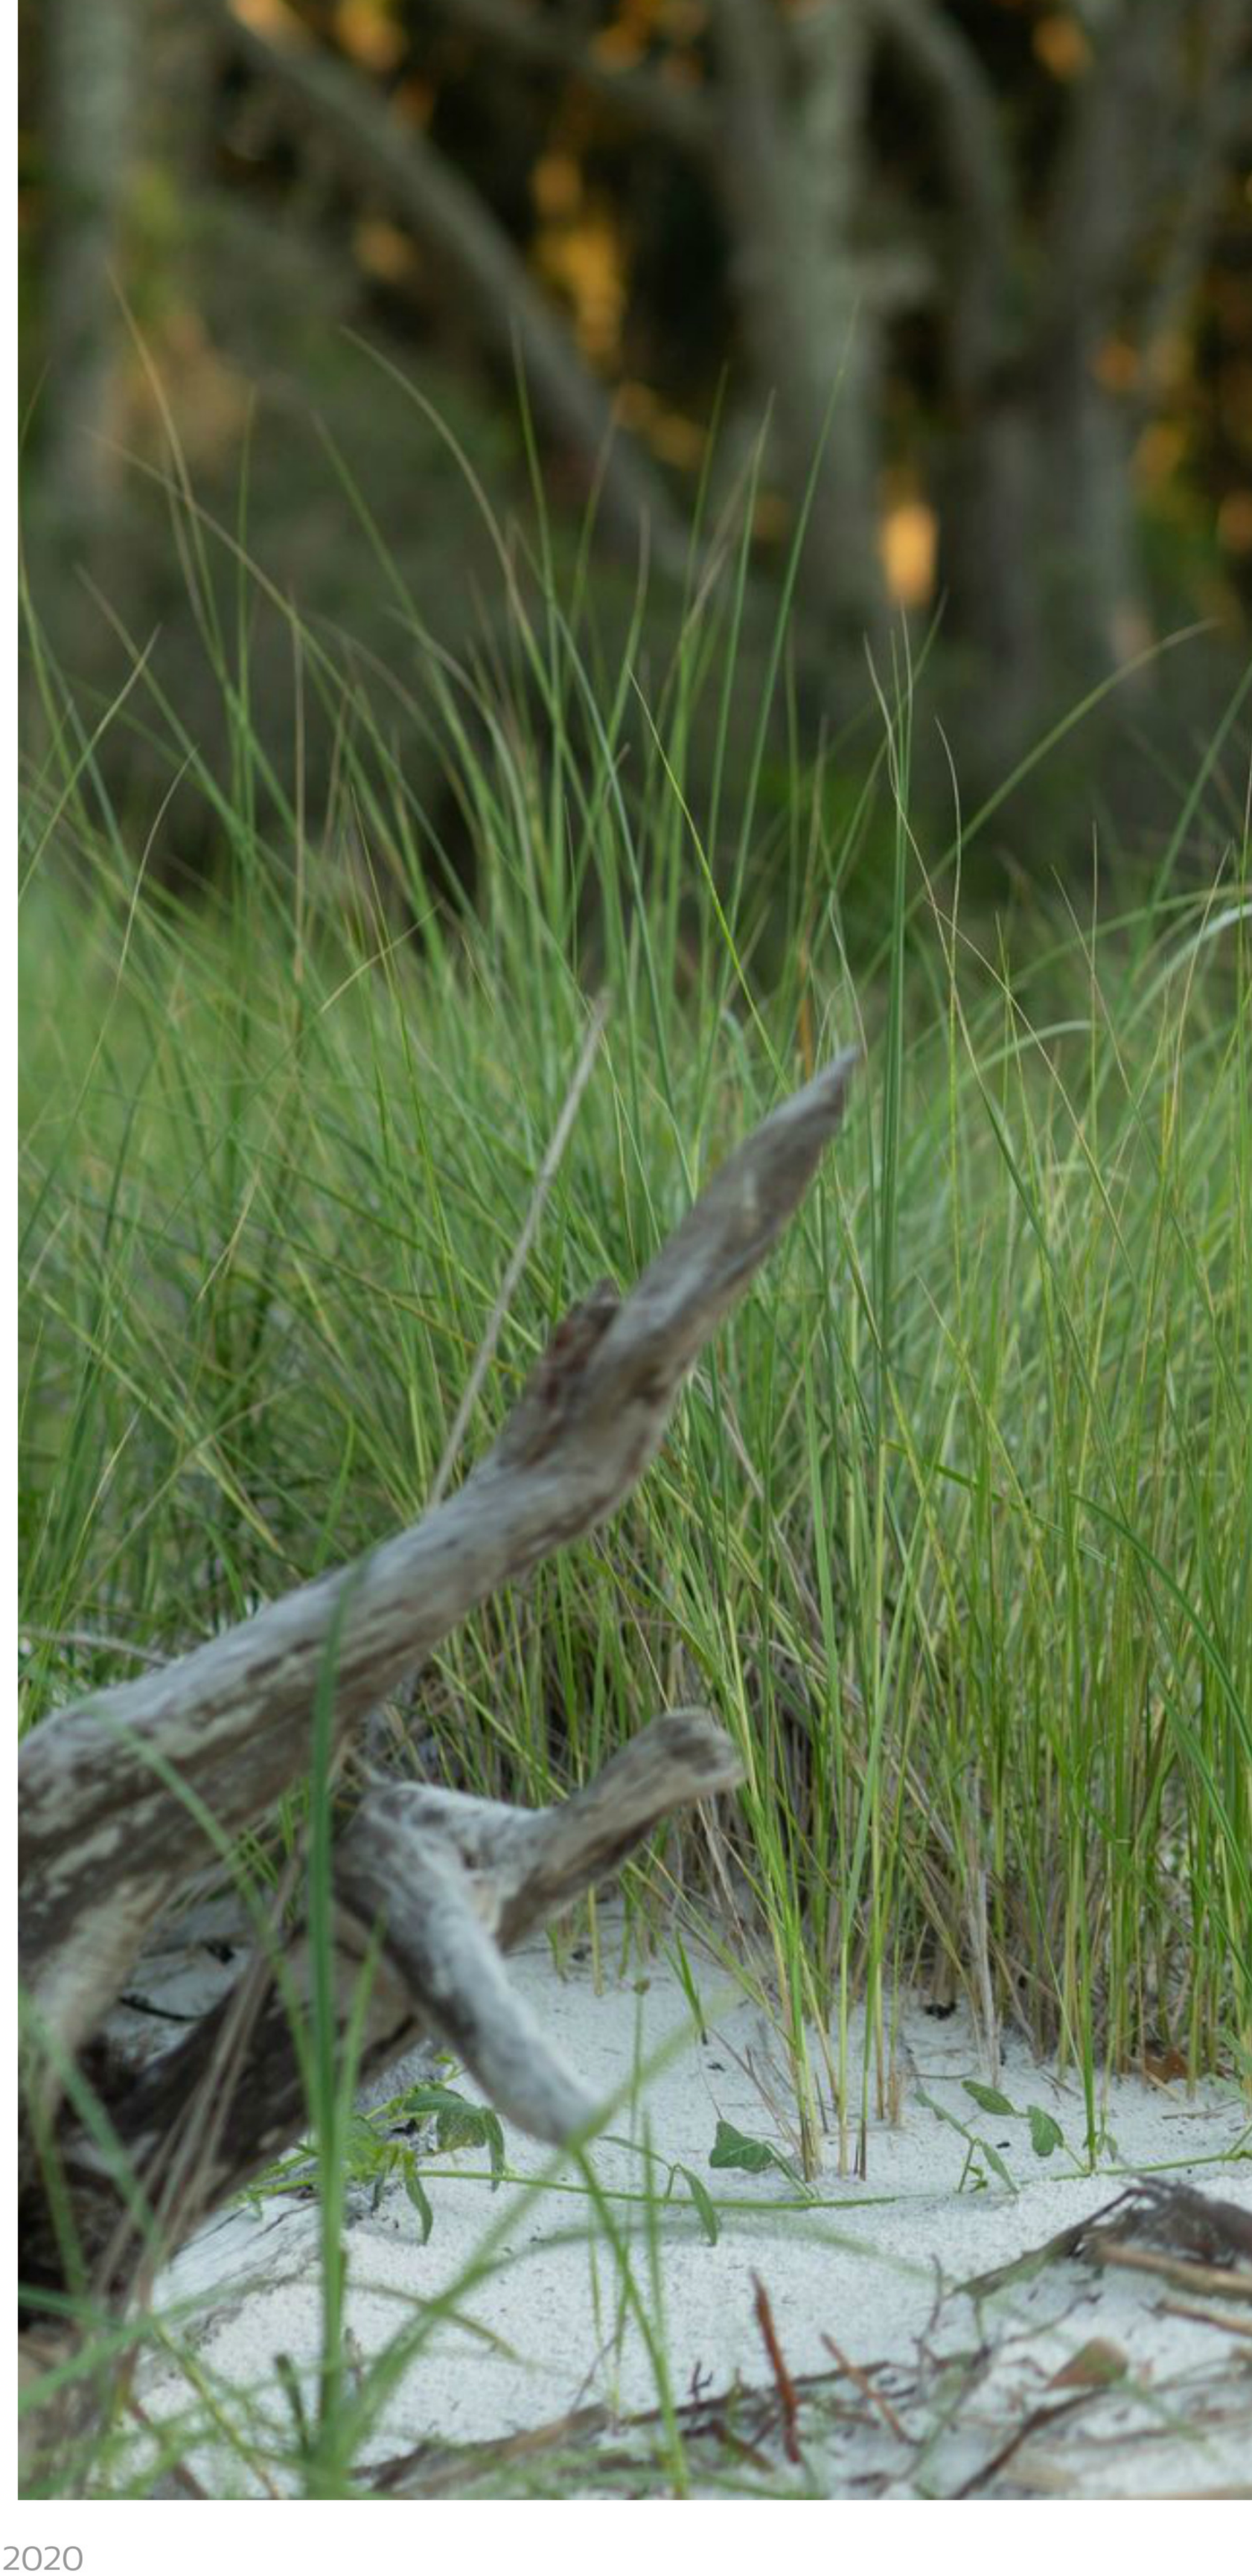
I’m originally from Havana, Cuba. I love dancing, fitness, and teeth! I’m a registered dental hygienist, certified in local anesthesia application. I enjoy spending time with my family, chocolate, and the company of my friends. My favorite color is white and would watch the sunrise everyday if I could.



My sexiest feature?

I was born in Ireland and raised in England. I now reside in Toronto, ON. I'm a huge nerd. I love classical history and philosophy ... and I've read all the Harry Potter books at least three times. In my free time, you can find me studying crypto currency, working out, or eating oysters and drinking red wine while watching Netflix. I love animals, and the way to my heart is through puppies and food.

Modeling is something I enjoy and have always had a passion for. When I am in front of the camera it puts me in a different realm, and I love the feeling. You are able to create a story with your pictures, and it is simply beautiful to be able to do that. I have been modeling for 4 years now. I always bring my passion and energy for modeling to every project I work on. I am also big into fitness and I am a personal trainer. The best way to sum up my personality is this quote: "If your dreams don't scare you, they aren't big enough". -Muhammad Ali
